

## BOARD OF TRUSTEES APPLICATION

Please tell us about your skills and experiences that can help the library better serve our community. Submit your completed application to [director@strasburglibrary.org](mailto:director@strasburglibrary.org) or to any current board member.

1. Do you have an active Lancaster County library card?
2. What do you know about our library?
3. Why is joining our board important to you?
4. What skills or experience will you contribute?
5. How much time will you be able to devote to supporting the library? The board meets monthly for at least an hour, occasionally longer. The board does not meet in July. Board terms are for three years with one extension for an additional term if you choose to continue to serve. There are several activities held throughout the year when board members are expected to participate.
6. Some volunteers consider their "sweat equity" to be equal to a monetary contribution to the organization that they work for. What is your opinion on this?
7. What does advocacy mean to you?
